Sub: Letter REF NO:-CAJK-05/AGM/EL/NO, Dated 17.02.2024.

Sir,

This is in reference to your letter dated 17.02.2024 which has been handed over to me in my office chambers on 20.02.2024. It has been conveyed that the Special General Meeting of Cycling Association of Jammu & Kashmir shall be held on 03.03.2024(Sunday) at Press Club Jammu at 3 pm to consider and approve reconstructed record of the Association.

It is once again requested to kindly complete the formalities at the earliest without any further delay so that the Election Schedule is issued by me. Please be informed that any new member in case added shall not have any voting rights and the same shall be considered by the new elected team.

You are also advised that in case any confusion is created at the Special General Meeting regarding the reconstructed record the list which is approved by the maximum number of eligible voters shall be taken into consideration to avoid any further delay in the Election Process.

You are once again requested through the medium of this **Final Notice** to complete the requisite formalities conveyed to you and publish the voter list in print media atleast 15 days before the conduct of elections at the earliest so that the process of elections is set in motion by the Returning Officer and the Election schedule is notified accordingly for filing of Nomination and Withdrawal. Any further delay on your side in publishing the voters list in the Newspaper will be considered seriously by the Returning Officer. Looking forward for a positive and early response.

Any further clarification is welcomed.

Yours sincerely,

*Anshuja*
