Sub: -Publicity of selection trails and conduct of screening of JK UT Teams prior to participation in National level competitions.

CIRCULAR

It has been observed that certain recognized sports associations are not giving wide publicity to the notification of selection trails prior to National Championship and also not approaching J&K Sports Council for conduct of screening of the selected teams / athletes representing J&K UT in National level competitions which raises question on their accountability and fairness of selection procedure thereby violating the guidelines of the J&K Sports Council even after Circular instructions issued vide J&K Sports Council letter No.: - SC/1536/5452-57, dated: - 25.08.2023 and No.: -SC/634/3778-84, dated: - 15.07.2024.

It is therefore again impressed upon the recognized J&K UT Sports Associations that proper publicity of selection trails through leading newspapers (Both at Jammu and Kashmir Province) minimum 05 days prior to conduct of selection trails for National Championship should be circulated and also shared with respective Divisional Sports Officer, J&K Sports Council for sharing the same on the official website & Social Media handles of the J&K Sports Council. This initiative is undertaken to provide fair opportunity to all talented athletes of J&K UT and to uphold transparency and inclusiveness in the selection process.

Moreover, screening of J&K teams / athletes be got conducted from the Screening Committee of the J&K Sports Council before deployment for National championships otherwise no benefit of such certificates earned by the athletes shall be granted under J&K Sports Policy 2022, Jammu & Kashmir Certification of Outstanding Proficiency in Sports Rules, 2008 & norms / guidelines for allocation of grant-in-aid to the recognized Sports Associations of J&K Sports Council.

In addition, all the Sports Associations of Jammu & Kashmir are encouraged to acknowledge the collaborative efforts of the J&K Sports Council in their press releases & communications related to the conduct of various District, UT & national level Championships. Recognizing this partnership not only ensures transparency & mutual respect but also highlights the unified commitments towards the development & promotion of sports in the Union Territory.
